2.4.3 1. Community Living Camp

As a part of 2 year B.ED curriculum of Calicut University, our college, JNTC Edavanna, organized a four day community living camp in every year at our college. As a pre planning we conducted a meeting. In that meeting we selected anchor and rapporteur. The student coordinators and Teacher coordinators were organized the programmes. The Camp was a valuable experience focused on community engagement. Students participated in various activities including community service, projects, workshops, and cultural exchanges. They interacted with local residents and learned about their challenges. Various committees were formed few days before the camp. The nine committees were reception committee, Food committee, Refreshment, Accommodation, Cleaning, Finance and purchase, Decoration, Trip in charge, and Media in charge. This camp, which gave us a handful of beautiful memories, became a message of unity and happiness.
